A Complete Sales-Building Organization AT YOUR SERVICE

Clicking linotype machines, type setters bending over cases, page "forms," roaring presses—

but that represents only one phase of the service which the Tab is rendering to Asheville's and Hendersonville's progressive business houses.

There is, in addition: the eager co-operation offered freely by the Tab's Advertising -Service Department. No matter what merchandise or service you wish to exploit, you can obtain here result-pulling ideas, copy, splendid illustrations, to tell your story accurately and enthusiastically.

Advertising in the Tab can represent you as faithfully and efficiently as your best salesman. Advertising in the Tab will build your name and build your future.
